Coex GREEN INITIATIVES

Leed Certificate

Coex was the first convention center in Asia to receive the silver LEED (Leadership in Energy and Environmental Design) certificate from the U.S. Green Building Council. Although difficult to obtain for existing facilities, this certification highlights Coex's sincere efforts to become a greener venue.

EarthCheck Certificate

Coex acquired the EarthCheck Silver status just one year after receiving the Bronze status. EarthCheck is the global green certificate for culture, tourism and convention centers, organized by EC3 Global, Australia.

BeMS & BAS

<Using Green IT to Manage Energy at Coex>

Sustainable management of the World Trade Center is spearheaded by BeMS, our self-developed Building Energy Management System. BeMS was the first of its kind in Korea and combines environmental stewardship with advanced information technology to help make Coex a greener place. Along with BeMS, our Building Automation System, BAS, ensures safe and environmentally responsible operation of the World Trade Center Seoul.

Green Renovations

<Pursuing the Improvement of Our Environment>

- 1. Building Efficiency**
Coex is dedicated to improvement the energy efficiency of its buildings through methods such as LED lighting replacement and alternative energy research and implementation.
- 2. Water Recycling**
Coex's on-site water recycling plant helps the center use water more efficiently while preventing environmental contamination. Water recycling at Coex reduces the center's carbon emissions by 83 tons per year.
- 3. High-Tech Bike Stations**
High-tech bicycle lockers are located at various locations around the Coex premises. Each bike locker holds up to 120 bikes securely, while also protecting them from environmental and other damages.
- 4. Rooftop Green Spaces**
Green spaces planted around Coex are enjoyed by visitors as spaces for rest, as well as working to reduce the urban heat-island phenomenon.
- 5. Alternative Energy**
Coex hosts many testbed projects for alternative energy. Coex is currently testing solar lamp posts, solar roof panels, wind generators, hydrogen fuel cell batteries, and more.
- 6. Eco-Friendly Restrooms**
To make restrooms more environmentally-friendly, Coex has supplied them with biodegradable, quick-dissolving toilet paper and energy-saving hand driers.

Green MICE

<Green Meetings for Global Competitiveness>

Coex Center is moving forward with its goal to become a leader in green Meetings, Incentives, Conventions, and Exhibitions. Coex is EarthCheck-benchmarked and has a certificate in Leadership and Environmental Design. We also have a comprehensive menu of sustainability options for event planning clients, including a 'green initiative clause' in all our contracts.

3R (Reduce + Reuse + Recycle)

<Making Waste a Resource>

Coex is on a carbon diet. Our 3R waste program aims to cut our carbon footprint through reduction, reuse, and recycling of the waste produced at our center every day. Through our carbon diet, we hope to turn a higher percentage of what would be waste, back into recycled resources.

ROOM RESERVATIONS AND CONTRACT SIGNING

Coex Meeting Room Rental Hours

Standard rental hours for Coex meeting rooms are from 9:00 to 18:00.

Coex provides Lessees with 30 minutes of complimentary room use for both event move-in and out. If either the move-in or out exceeds the allotted complimentary 30 minutes then a surcharge shall be added to the base rental fee.

Please note that utilities usage, such as electricity and heating, are included in the cost of room rental but must be paid separately for exhibition halls (see 'Management Fees'.)

Payment Schedule of Room Rental Fees

Room rental fees must be paid according to the following table

10% of rental fee	40% of rental fee	Remaining 50% of total rental fee, VAT (10%) & equipment fee
Upon signing of rental agreement	3 months prior to 1st day of rental	7 days prior to 1st day of rental

Changes to Agreed Rental Period

Subject to room availability, the Lessee may request a date change to another period within the same calendar year. In the case that the dates of the event are changed, a penalty of 10% of the total rental cost will be applied.

Cancellation of Room Rental

Penalties for the cancellation of meeting space after the signing of the rental contract are as follows

- Up to three months prior to the event : 10% of the total rental fee
- From three months to one week prior to the event : 50% of the total rental fee
- Within one week prior to the event : 100% of the total rental fee.

Any and all rental fees paid prior to the cancellation of the rental contract are non-refundable.

Partial Cancellation of Room Rental

Penalties for the cancellation of meeting space after the signing of the rental contract are as follows :

- Up to three months prior to the event: 10% of cancelled room rental fee.
- From three months to one week prior to the event: 50% of cancelled room rental fee.
- Within one week prior to the event: 100% of cancelled room rental fee.

Improper Use of Meeting Room

If the room is used outside of its intended purpose (eg: meeting room used as an exhibition space including equipment installation), an additional fee 1.5 times the room rate will be levied.

Management Fee Deposit

The Management Fee Deposit only applies to the exhibition halls (Halls A, B, C, D)

Utilities are not included in the cost of room rental, and instead are payable in the form of a Management Fee Deposit. The Management Fee includes electricity, heating, air-conditioning, water supply and drainage, compressed air etc.

The initial Management Fee Deposit is calculated at 20% of the total cost room rental before any discount premiums are applied, and must be paid no later than seven (7) days before lease date commences.

Following the lease period, if the Management Fee Deposit amount is insufficient to cover the actual utility and management expenses, an additional payment may be requested. Any additional payments must be paid within 15 days of receipt. If the Management Fee Deposit amount exceeds the actual management fee to be paid, it may be used to cover other outstanding applicable charges. In the event that there are no outstanding payments to be made, the excess Management Fee Deposit shall be refunded to the Lessee.

Rental of Lobby Areas

The use of the lobby area immediately outside the rented meeting room for registration desks, and use of the allocated lobby spaces used by our official caterer, are included in the rental agreements. Additional use of extended lobby areas can be arranged on a cost per square meter basis of 20,000 won/sqm, per day (10% VAT excluded).

SERVICES PROVIDED BY Coex

Electricity

All standard meeting rooms rental includes electricity usage up to 3KW. Electricity usage beyond the basic amount as well as any special requests, such as additional outlets, requires the hiring of a designated contractor and will incur an additional fee.

Equipment Rental

All standard meeting rooms for 50 or more pax includes one complimentary podium (equipped with a wired microphone) and one complimentary lobby registration table with two chairs. Most rooms with a capacity above 150 pax include built-in projection screens. Some of our larger meeting rooms also have podium areas, and built-in simultaneous translation booths. Should you require additional equipment for your event, please refer to page 21 for the full equipment list and rental rates.

Furniture and Furniture Arrangement

Rates include your preferred setup in theater, classroom or banquet style up to the maximum capacity of the room. If you wish to have the room re-arranged during a single day event, (such as from classroom to banquet style) there is an additional labor charge.

Waste Removal and Disposal

Meeting room rental rates include waste removal. For exhibition-style setups, however, there is an additional fee based on the amount of waste produced. Our waste management teams sorts through the waste for recyclables.

Parking Tickets

Depending on the size of the room, we provide one complimentary daily parking pass for meeting organizers. Should you wish to provide parking for your guests, refundable parking tickets can be purchased in advance of your event via Global PMCO, telephone 82-2-6002-7130. A 50% discount is provided for Lessors upon provision of a copy of the Coex rental contract.

Security Staff Hiring

Security personnel are found throughout our center to ensure basic safety and security. Lessors holding an event where additional security is necessary may hire additional personnel through a Coex designated contractor.

Heating and Cooling

We aim for a comfortable environment in all our meeting rooms. If you find the room too warm or too cool, please notify a room manager, or pick up one of the designated house phones located throughout the meeting room areas. Air conditioning and heating are included in the cost of meeting room rental fees, but are payable via a separate Management Fee for all exhibition halls.
